Dear Chairman Griffis:

I am in support of the proposed Randle Highlands Manor Assisted Living Facility development project to be located at 2700 R Street, Southeast. I believe that the project will meet the need for quality, affordable housing for senior residents in the District of Columbia who are in need of assisted living facilities. I also recognize the importance of having such facilities available in the District to allow senior citizens to remain near their life-long homes, family and friends in the city so that they may enjoy a better quality of life in the comfort of familiar surroundings in their retirement years.

Sincerely,

O. V. JOHNSON
