RE: BZA Application No. 16900 (1426 Meridian Place, N.W.) Gauthier

---

The above-cited application was filed by self-certification on May 10, 2002. Staff advised the applicant's architect by phone on May 15, 2002, that the self-certification form was missing the required owners and agent's signatures. Additionally, staff review of the proposed plans found that relief is also required from the side yard requirements (section 405) covered under the special exception provisions of section 223.
