File: 1426 Meridian Pl Rear Stair Enclosure[1].doc, BZA Letter.doc
Sent from the Internet (Details)

FAO: Members of the ANC1A Planning & Zoning Committee; ANC1A Economic Development Commmittee; Meridian Place Block Association; Meridian Place Homeowners' Association

Dear Committee & Association Members, Neighbors, Elizabeth, Josie, Jacqueline, David, Mack, Eric, Ken, Eric, Makram, Jeff, et al.,

Although Kofo & I have come 'round to see a great many of you with our architectural plans, we will no doubt have missed a number of you. Let me apologize for that. We hope that those of you we missed have had the opportunity to read the Notice Hearing in front of our property for the past 2 weeks or the information in our rear window (up since May) concerning our hearing tomorrow at the BZA (Office of Zoning).

The hearing is our opportunity to formally request permission for a Rear Stair Enclosure for our residence (allowing us to go up & down without going outside). The hearing will also give all of you the opportunity to raise any oppositions or objections you may have with our plans. So we hope to see you there!

Just as a reminder: The Zoning Adjustkment hearing will take place tomorrow, Tuesday July 23rd, at 9:30am at the BZA Hearing Room, 2nd Floor at One Judiciary Square, 441 4th Street NW.

Please find attached a set of our architectural drawings as well as of our petition to the BZA for a variance. Please take a moment to look them over if you can. Again, we hope to see you tomorrow.

Best Regards,
Jean-Paul
