FROM: Valerie A. Ware
Program Manager

DATE: June 18, 2002

SUBJECT: BZA Order #16911 Special Exception
700 Brandywine Street, SE
Washington, DC 20020

The Department of Health, Health Regulation Administration, Child and Residential Care Facilities Division (DOH/HRA/C&RCFD) recommends that the applicant be granted special exception and variance relief to establish a child development facility (center) at the above-mentioned address. The establishment of a child development center would greatly assist in meeting the critical demand for child care in the City.

A meeting was held on April 22, 2002, at the DOH/HRA/C&RCFD to discuss the licensure requirements and development of the proposed child development center. Representatives from the Brandywine Street Association in attendance included: Ms. Ann Congdon, Architect and Mr. Henry Bowden, Realtor.

A preliminary inspection of the proposed site will be scheduled, pending receipt of the Brandywine Street Association's application to establish a child development center.
