Commissioners of the ANC 3G
Members of the Board of Zoning Adjustment

TO WHOM IT MAY CONCERN

This is to request your approval of a variance for off street parking for Dr Richard Robinson DDS. His office is located at 5406 Connecticut Avenue in Northwest Washington, DC.

Dr Robinson has been my dentist for over twelve years at this very convenient location for me. I live next door at 5410 Connecticut Avenue.

Finding a nearby parking space on the street has become increasingly difficult for him. If he had to move his office from his present location, it would mean a hardship for me. I am eighty two years of age and my mobility is very limited.

Thankyou for your consideration.

Sincerely,

Dorothy F. Dederick
