Re: Withdrawal of Request for Party Status in Case No. 16913

Pursuant to a review of the file in BZA case #16913, the Louie Condominium Association, located at 5402 Connecticut Avenue, N.W., hereby requests respectfully to withdraws its application for party status. The basis for the request is that the ANC letter of support indicates that the applicant was not able to enter into a contract for the use of the alternate lot located behind 5402 Connecticut Ave, NW. Therefore, the interests of the Louie Condominium Association are not significantly affected by this application.
