FRANCIS SCOTT KEY ELEMENTARY SCHOOL
Drop-Off, Pick-Up and Parking Guidelines

1. ENTRANCES: Three areas provide access to the school (see above): (1) Stairs at the corner of Dana Place and Fulton Street; (2) stairs at the corner of Dana Place and Eskridge Terrace; and (3) the main entrance on the west side of Eskridge Terrace. Please note that the Hurst Terrace entrance used during the previous school year will not be accessible until the renovation of the old building has been completed.

2. PARKING: Please <u>do not park</u> at any time along the west side of Eskridge Terrace in front of the new school entrance. This zone will serve as a designated drop-off and pick-up lane for Key School students only. Please do not double-park to discharge students as this will completely block traffic on Eskridge Terrace.

   Parking will be permitted along the east side of Eskridge Terrace. Parking will also be permitted along Dana Place, University Terrace and on Fulton Street. Access to the school is available via both sets of stairs on Dana Place.

   <u>However, at no time should residents' driveways be blocked.</u>

3. Key School will direct the school security officer to help ensure compliance with the drop-off/no parking zone in front of the new main entrance. The Safety Patrols will be available for assistance with students crossing at intersections.

✳ 4. When possible, <u>please walk your children to school</u> to help minimize traffic congestion.
