Re: BZA Application No. 16915
Barbara Schriever Allan - 2828 Hurst Terrace, NW

Dear Chairman Griffis and members of the Board:

I have been a resident in the Palisades area for 13 years with five of those years at 5636 Dana Place directly across from Key School. I am writing in support of Barbara Allan's application to continue operation of her child development center at 2828 Hurst Terrace.

We need choices for our children and Barbara's is a wonderful opportunity, and it's located right in the Palisades. We all need tolerance and the twenty minute drop off can not really effect anyone to any great extent and it's such a wonderful place for our children. This all reminds me of the T.V show Bewitched with the neighbor Mrs. Kravitz peeking and watching every move her neighbors make. I think folks need to relax enjoy, and worry less about a little traffic for 10-20 minutes a day.

all my Children went to Barbara's and my Children are now 12, 10 & 7 my friends today are the moms I raised my Children with, we walk together, stop at the Safeway, watch each others Children + homes when they are away it truly is the spa center for a new mother. I still bring my Children to Barbara's every Halloween years after they have left. It would be a shame if this application is not pass and I will truly have lost faith in our Board of Zoning.

Sincerely,
