Dear Mr. Griffis:

On November 12, 2002, the Applicant and neighborhood parties in opposition agreed between them that subject to the Board's consent, additional materials documents, and written factual information could be submitted to the Board in this case prior to close of business on Friday, November 15, 2002. We further agreed that the parties would have until COB Wednesday, November 20, to respond in writing to any such submissions.

Pursuant to that agreement, we are submitting, under separate cover, a letter from Lindsley Williams concerning the SNAP Plan, prepared by the Office of Planning. We include in this request any other submissions made by Applicant or in its behalf prior to November 15.

We respectfully request that the Board permit all of these submissions to be made part of the record in the case. Thank you for your consideration.

Yours very truly,

Stephen N. Gell
