Dear Neighbor:

As you may already know from conversations, a recent notice mailed to you, or the sign posted in our front yard, we are hoping to build an addition to the back of our house. We have applied for a permit and have a zoning adjustment hearing scheduled for October 8th.

Our plans are focused on adding a one room, one story addition off of the kitchen area at the rear of our house. The framing and roof-line of the room will be consistent with the existing architecture of our home and similar painted shingle siding will be used on the exterior of the addition. If you have any questions regarding our application or plans please call us at 202.237.7942.

Sincerely,

Cecilia and Jack
