Memorandum

TO: Board of Zoning Adjustment

FROM: Ellen McCarthy, Deputy Director
Development Review and Historic Preservation, OP

DATE: September 23, 2002

SUBJECT: BZA Application #16924 (Jemal's Wheel, LLC)
1701 Kaloroma Road, N.W. (Square 2566, Lot 90)

The Office of Planning (OP) has been informed that the applicant for BZA Application 16924, Jemal's Wheel, LLC, intends to request a postponement of the scheduled October 8, 2002 public hearing. OP is in support of such a request as there are a number of issues, and in particular, the special exception request for a building height of 65 feet that has not been resolved. The postponement of the public hearing will allow OP, the community, and the applicant additional time to continue discussions and hopefully resolve all issues prior to the next scheduled public hearing.
