Re: Letter in Opposition to Application #16924
at 1701 Kalorama Road, NW

Dear Mr. Griffis,

My husband and I own a unit on the 4th floor of 1661 Crescent Place, NW and we, as well as many neighbors in our building as well as in the neighborhood are increasingly concerned about the proposition by Mr. Norman Jemal to build up the structure at 1701 Kalorama Road.

We want to register our strong opposition to this proposal for many reasons and hope there will be a thorough review of the proposal as there are many inaccuracies and constant changes proposed which cause intended confusion. There is a great need for clarification of exactly what Mr. Jemal intends to do, the exact height to which he intends to build up the structure and that this height should not be subject to any variation.

Thank you for your attention,

Sincerely,

Elizabeth & Alfred W. Cook
