District of Columbia Board of Zoning and Adjustment
441 4th Street, NW, Suite 210 South
Washington, DC 20001

Dear Chairman Griffis:

I am writing in support of the proposed building plan by the NATIONAL ASSOCIATION OF REALTORS (NAR), the largest trade association in the world. In addition to being an elected Member of Congress, I also am a dues-paying member of the NAR and greatly appreciate its presence in the city.

The NAR is among the most recognized lobbying organizations in Washington and I believe it is quite fitting that it have a prominent headquarters located on Capitol Hill. Many of us are pleased that the proposed NAR building will be so close to the U.S. Capitol. In fact, I also own a house on Capitol Hill and welcome the construction of such a world-class building.

The NAR is making a major statement with this construction project and I have no doubt it will prove an example for all future construction in the national Capital area.

I appreciate the opportunity to let you know of my support and please feel free to contact me.

Sincerely,

Mark Foley
Member of Congress
