Mr. Geoffrey Griffis
Chairman
Board of Zoning and Adjustment
Government of the District of Columbia
441 4th Street, NW, Suite 210 South
Washington, DC 20001

Dear Mr. Giffis:

I join other members of Congress is welcoming the National Association of Realtors to its new proposed national headquarters on Capitol Hill.

I have worked closely with many members of the Association during my service in Congress. In the South Bay cities of Los Angeles County which I represent, their commitment to communities is well-known. Looking at the design of their new national headquarters, it appears to me that it is respectful of both neighbors and the environment.

I am sure that once completed, the new headquarters will not only be a source of pride to Association members, but also to Capitol Hill residents and the District.

My thanks for your consideration of my views as you review the Association's construction application.

Sincerely,

JANE HARMAN
Member of Congress
