Dear Mr. Griffis,

I am writing to express my strong support for the development of the new National Association of Realtors building at 500 New Jersey Avenue, NW. The design by Graham Gund and Associates proposed for the building, in our opinion, is both beautiful and appropriate for our neighborhood on Capitol Hill. It would be a welcomed addition. The building is not only aesthetically pleasing but also environmentally sound.

The National Association of Realtors is a very desirable owner and tenant of 500 New Jersey Avenue, as an employer and generator of business for other establishments in the area, such as ours.

We would very much appreciate positive consideration for all requested variances in order to make this beautiful building a reality. I speak on behalf of the owner, management company and fellow employees of The Washington Court Hotel.

Sincerely,

Mac McNeill
