Members of the Board,

The purposed of this correspondence is to request that The Board of Zoning Adjustment allow for Advisory Neighborhood Commission 6A to take a position regarding the current BZA application for 500 New Jersey Avenue, NW. The ANC did not reach a quorum at its last meeting due to extenuating circumstances. This request is made in light of the staunch position taken by the Zoning and Licensing Committee in direct opposition to its previous finding for a prior approved application. The gravity of this matter merits a hearing by the full ANC. Your forbearance would be greatly appreciated so that the voice of the community's electorate can be heard.

Respectfully Submitted,

Robert L Hall
Advisory Neighborhood Commissioner 6A01
