GRAHAM GUND, FAIA
President

Mr. Gund is President of Graham Gund Architects which he founded in 1971. His work has received wide critical acclaim and professional recognition, and has brought the firm more than one hundred awards for design excellence.

Mr. Gund is active in Boston's cultural arts and architecture communities. He is a Trustee of the Boston Museum of Fine Arts, and of the Institute of Contemporary Art, a former Director of the Boston Society of Architects, and the former Chairman of the Boston Foundation for Architecture. On a national level, he is a member of both the National Committee on Design and of the distinguished College of Fellows for the American Institute of Architects, and serves as a Trustee for both the National Building Museum and the National Trust for Historic Preservation.

Mr. Gund was educated at Kenyon College, pursued post-graduate study at the Rhode Island School of Design, and received a Master of Architecture and a Master of Architecture in Urban Design from the Harvard University Graduate School of Design. In addition, he holds several honorary degrees.

As Principal-in-Charge of the firm's projects, Mr. Gund is committed to overseeing every aspect of the design process. Over the past 29 years, Mr. Gund and his firm have become best known for their work in civic settings, particularly for public use projects and the arts. Highlights of his experience include:
