RE: Application of 2327 Champlain St. LLC #16931

To Whom It May Concern:

I am writing to express my opposition to the Application of 2327 Champlain St. LLC #16931 submitted by PN Hoffman. As a resident living on Champlain St, I feel a building that does not conform to the building regulations will adversely affect the unique charm and feel of the street. A building that is 20 feet taller than all surrounding structures at the southern end of Champlain St. will obstruct the natural sunlight and create a "canyon-like" feel in the area.

Please feel free to contact me if you require anything more.

Sincerely yours,

Brandon J. Fong
