This filing appeals a decision of Toye Bello, Acting Zoning Administrator, and David Clark, Director of Department of Consumer and Regulatory Affairs, the Zoning Review Branch, Department of Consumer and Regulatory Affairs, made on May 21, 2000, to the effect that a permit No. B445856 and issued on May 28, 2002, was inappropriately approved and issued to allow certain construction of a partial foundation and possibly later the construction of a single-family dwelling. Appellant alleges that the building permit violates the Zoning Codes.
