Dear Mrs. Felder:

The Advisory Neighborhood Commission-1B (ANC) has filed complaints against the Prince Hall Grand Lodge (PHGL) indicating our membership is responsible for the generation of "excessive litter" in or around our parking lot located at 1902 Vermont Avenue, NW.

While we dispute these claims, we remain steadfast in our mission to be a proactive partner in the beautification of the community in which the PHGL is located. As you may know, the PHGL has recently installed additional trash receptacles in the parking lot at centrally located areas. The PHGL membership maintains a daily schedule for the specific task of waste removal. However, if there are other approaches to affirmatively address this issue, we would appreciate any recommendations and your expertise as we continue our attempts to address the community's concern.

We look forward to working closely with you in order to comply with the D.C. Code and voluntarily implement more activities to address the problem. Should you have any questions or comments, please feel free to contact me directly at: (202) 462-8878.

Sincerely,

Aaron R. Jordan
