Dear Mr. Altman:

The Advisory Neighborhood Commission-1B (ANC) recently asserted that the Prince Hall Grand Lodge (PHGL) is guilty of paving our parking lot located at 1902 Vermont Avenue without the proper authority.

The PHGL was granted verbal permission by Mr. Charles Johnson of the DC Water and Sewage Authority to access the DC WASA sewer system located in the alley adjacent to the parking, for purposes of water drainage and runoff.

We would welcome any recommendations that you or your staff believe would further protect the community.

Should you have any questions or comments, please feel free to contact me at: (202) 462-8878.

Sincerely,

Aaron R. Jordan
