Dear Members of the Board:

It is with great pleasure that I extend my support to the Office on Aging's proposal to renovate the old Hayes school into the Ward 6 senior wellness center. With the city's aging population, this facility will be a gem for the residents in Near NE. For far too long residents in that neighborhood have been neglected in the services the city provides, and this new facility will be a wonderful addition.
I look forward to your favorable ruling on this matter

Sincerely,

Sharon Ambrose
