APPLICATION NUMBER 16944

BZA:

I have been a long term resident of Washington DC and have never had parking, noise, and litter problems worse than when Georgetown Day School is in session. We have complained numerous times to no avail. Now, apparently, GDS has the gaul to request an special exception; GDS has never lived up to the original agrements, why give them even more latitude?

GDS recently has to employ private police to enforce what they have never enforced before. Rewarding poor behavior is not in our best interest.

I request that GDS does not receive any exceptions, and that they return their levels to the standing agreement, the very agreement we labored so long for 15 years ago.

Sincerely,

Thelma Strachocki
