Subject: CASE NUMBER 16944

Board of Zoning Adjustment:

I am firmly opposed to any further consideration toward the Georgetown Day School (GDS). GDS has never honored any agreement which we negotiated 15 years ago. GDS does not deserve any special exception.

This year GDS has "Patrol Officers." This is to enforce what they cannot achieve through student discipline. GDS has been in violation for years. We should not reward this detrimental behavior. I request that GDS not be granted this exception. I also request that GDS be fined for their earlier non-compliance.

Respectively,

William K. Smith
