16944 Georgetown Day School Special Exception

DC Board of Zoning Adjustment,

I reside within two blocks of GDS, my experiences with GDS students and faculty have been less than acceptable. Over the years GDS students have illegally parked, littered, congregated and abused their relationship with us residents. We, and others, have complained numerous times to the GDS Principal with no effective results.

Only recently is GDS addressing our complaints. We know why, it is because they now need an exemption. This is unacceptable to me. I live here, and have to suffer from GDS lack of enforcement and the ANC doesn't fairly represent me.

I am against any exception for the GDS. I feel you should fine them for years of violations. They are poor neighbors and only serve to ruin this neighborhood.

Regards,

Edwin C. Mays
