I vote to approve 16944, with additions to the applicant's proposed conditions and Traffic Management Plan.

Proposed Conditions: (new text underlined)

#4, line 3: The sentence should read —
"The school shall attend any additional meetings deemed necessary by the School and/or the ANC to address issues and concerns raised by the community."

#5, line 2: The sentence should read —
"At the beginning of each school year, and in no event later than October 15, and again in the SPRING PRIOR to meeting with the ANC, the school shall provide . . ." Note: the Spring data should focus, in part, on the traffic management plan (# students in violation and fines issued, if any. This information would not be available

#7 Recommend that the 42nd Street entrance be monitored at pick-up time also.

#13 Recommend that the Board cap the number of special events held at GDS per school year in order to reduce the potential for weekend and/or late evening parking impacts on the surrounding neighborhoods.

Traffic Management Plan

Page 2, (i) Add to (2) Second (and third) Violation(s)

"A student will not be allowed to drive to school until all fines are paid."

Note re. Fourth & Fifth Violations:
Suspension and/or expulsion will probably never happen over a parking violation.
