Re: Kuri Brothers, Inc.: Notice of Intent To Revoke Certificate of Occupancy No. B001816757

Dear Judge Little:

As I advised your office yesterday during our telephone conversation, our office represents Kuri Brothers, Inc. ("Kuri") in the above-captioned case.

By virtue of this letter, Kuri wishes to formally request a hearing in this matter. In order to afford Kuri and the undersigned ample time to prepare an adequate defense in this case, we respectfully ask that this matter be set for a hearing at some point subsequent to October 1, 2002. We apologize for the brief delay in making this request, but note that Koo Yuen, the real party in interest in this matter (the owner of the property) was out of the country and was not apprised of this matter until approximately July 15, 2002.

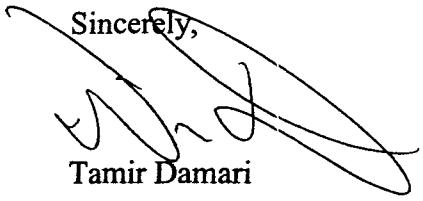

We also understand that a hearing has already been set for August 13, 2002 on a Notice of Infraction issued to Kuri on May 17, 2002 (Notice of Infraction No. 047013). Given that the hearing on this Notice of Infraction is likely to raise similar (if not identical) issues to those that will be raised at the hearing on Notice of Intent To Revoke Certificate of Occupancy No. B001816757, we request that these matters be consolidated and heard simultaneously, in order to promote judicial efficiency and avoid duplicative litigation.
