RE: Addition to 1830 S Street, NW

Dear Mr. Nero:

Thank you for your assistance with our application for a permit to build an addition to our home at 1830 S Street, NW. I would like to request that the hearing on our application be postponed for 90 days.

One of our neighbors, the owners of 1735 19th Street, NW, has some issues with the current design of our proposed addition. We would very much like to work with them to see if we can address those issues so that everyone is content with our plan. They have been very accommodating and willing to work with us as well. They have offered to write a letter to the Department as well. I am confident that within 90 days we can work through our issues and be prepared to resubmit a plan to the Department.

Thank you very much for your consideration.

Sincerely,

Nicholas Perrins
