RE: Addition to 1830 S Street, NW

Dear Mr. Nero:

This is in support of the letter by Mr. Nicholas Perrins for a postponement of the hearing on his application regarding his property at 1830 S Street, NW.

St. Thomas' Episcopal Church owns the building at 1735 19th Street, NW, which borders the rear of Mr. Perrins' property. Mr. Perrins is aware of our concerns with the current design of the addition, but we have been working together to find a mutually acceptable solution. We are hopeful that we can reach agreement fairly soon, but we agree with Mr. Perrins that a postponement is necessary in order for him to prepare and resubmit the plans.

Sincerely yours,

Melissa L. Barrett
