## Student Parking *(for commuter students)*

During the Fall and Spring Semesters, commuter students may park at Student Parking Locations during the first two (2) weeks of classes without a semester parking decal. However, in order to pay student parking rates, pre-paid student tickets must be purchased to use a payment. Student tickets may be purchased at the TicketMaster in the Marvin Center. Parking tickets must be presented to an attendant to gain admission to the surface lots. In garage locations, tickets must be presented when existing. Cash is not accepted at any Parking location as payment for student parking fees. Tickets of varying denominations are not exchanged. Students are responsible for having the required number of tickets at all times. When parking in student areas of the garages, visitor fees will be due if student tickets are not presented or if improper entrances are used.

**Semester Permit:** The Semester parking arrangement grants the same parking benefits as the regular Monthly permit with overnight privileges. This option is available at the University Parking Garage and Lot A locations. The decal can be purchased from the Parking Office at the cost of $183.00 per calendar month.

## Monthly Parking/Overnight Parking *(for students living in GW Residence Halls)*

Overnight parking information is available in the Parking Office. Student overnight parking decals are available to students who reside in University Residence Halls and are in need of overnight parking. The current cost of the overnight decals is $183.00 per month including tax. Parking between 12 midnight and 7 a.m. is not permitted unless the student has a valid overnight parking permit. Overnight monthly parkers must also register for semester parking decals by the end of the grace period.

## Student Contract Parking *(daily parking available to all students)*

Student Contract parking is available to all students at the University. Student Contract parking allows the student unlimited access to the University Parking Garage or the Marvin Center during the regular operating hours of the respective facility. No overnight parking is permitted. This monthly arrangement allows the student to pay in advance for a calendar month decal. Students who require overnight parking must apply for Student Monthly Overnight Parking. Student Contract decals are valid for parking at the following locations only:

| | |
|---|---|
| **University Parking Garage - 2211 H Street *(Student entrance is on 22nd Street)*** | **Daily - 6 a.m. - 1 a.m.** |
| **Marvin Center Garage - 800 21st Street *(Entrance is on H Street)*** | **Mon - Fri, 7 a.m. - 12 midnight** |

The fees for a Student Contract decal is $162.00 including 12% D.C. Parking Tax. The month runs from the first calendar day to the last calendar day of the month. Renewals of a Student Contract Decal can be purchased in the Parking Office during the last week of every month.

## Evening Students *(for parking after 5 pm)*

Evening students parking between the hours of 5 p.m. and 7 a.m., who do not wish to use University Parking Facilities until after 5 p.m. should be aware that the visitor parking rate for parking after 5 p.m. is equivalent of a one-period student parking ticket. A decal is not necessary if a student wishes to park after 5 p.m. and pay visitor rates in cash. However, if an evening student will need to use student parking facilities before 5 p.m. and closing or on weekends it would be advantageous to register for a parking decal. **Reminder**: Students parking prior to 5 p.m. without a student parking decal will be charged daytime visitor parking rates. As a visitor after 5 p.m., any entrance to the University Garage may be used as well as the Marvin Center Garage. **Note**: After 5 p.m. visitor fees are $5.75.
