Certificate of Occupancy

On August 30, 2002, SCS Engineers went to the Building and Land Regulation Administration (BLRA) Permit Service Center (PSC) to obtain a copy of the Certificate of Occupancy for 3200 Benning Road and the Solid Waste Transfer Facility. There was not a copy of such a certificate on file. Mr. Moody, an employee at BLRA PSC, explained that many District-owned and operated buildings do not have Certificates of Occupancy.
