Re: Citiwide Computer Training Center BZA Case 16961

Dear Mr. Griffis:

The purpose of this letter is to make you aware that I support the zoning variance request made by Citiwide Computer Training Center. I support this application because the Center provides much needed technology and educational programs that help to elevate the social and economic status of low-income families in the District, particularly in Ward One.

I therefore endorse Mr. Chuukwu's application for a Certificate of Occupancy.

Sincerely,

J. Graham
