THRU: Assistant Chief
Central Regional Operations Command

SUBJECT: BZA Application #16966

Your attention is invited to the attached response prepared by Lieutenant Robert Whitt of this command regarding BZA Application #16966.

Lieutenant Whitt finds that with the opening of the new underground parking garage in that area, traffic and parking would not be adversely affected by the redevelopment of the building. The lieutenant has recommended that this application be approved.

Therefore, based on the information presented by Lieutenant Whitt, I recommend that the application be approved.
