Re: BZA Application No. 16970
National Child Research Center ("NCRC")
3209 Highland Place, N.W. -- Square 2072, Lot 30

Dear Chairman Griffis:

On February 4, 2003, after hearing presentations from interested parties, including NCRC, Cleveland Park Neighbors and Friends of NCRC, and after extended discussion, the board of directors of the Cleveland Park Historical Society, by a vote of 9 in favor and 7 opposed, adopted the following resolution with respect to the above-referenced application, with instructions that the text of the resolution be transmitted to your office:

> RESOLVED, that the Cleveland Park Historical Society opposes the application of the National Child Research Center now pending before the District of Columbia Board of Zoning Adjustment unless it is implemented so that the current traffic situation is significantly improved.

The Cleveland Park Historical Society is a section 501(c)(3) organization with approximately 500 dues-paying members, almost all residing in the Cleveland Park Historic District, and a board of directors of 24 members.

Very truly yours,

Newman T. Halvorson, Jr.
President
Cleveland Park Historical Society
