Re: BZA Application No. 16970 - The National Child Research Center – Friends of NCRC – Letter of Support

Dear Members of the Board of Zoning Adjustment:

I am a member of the Friends of NCRC and I support NCRC's application to the D.C. Board of Zoning Adjustment, BZA Application No. 16970. My home is at 3195 Porter Street, N. W. and my husband and I have lived there for almost 20 years.

Many of my friends have children who attended NCRC. As a result, I have visited the NCRC facility several times. NCRC is a good neighbor and a great addition to our neighborhood. My husband has attended many of the ANC meetings where NCRC's building plans have been discussed. NCRC has been very considerate of the concerns of its neighbors and its expansion plans have addressed those concerns.

I fully support NCRC and its application. For all of these reasons, I ask that the BZA approve Application No. 16970.

Sincerely,

Ellen A. Fredel
