Re: Expansion of National Childrens Research Center ("NCRC")

Dear Mr. Griffis:

We understand that NCRC is requesting a special exception to build an addition to its facility. My husband, Charles Carlisle, and I live at 3215 Newark Street, N.W., and we oppose the granting of the special exception. The school currently presents traffic and parking problems for residents of the neighborhood. Any increase in the size of the student body at NCRC would exacerbate these problems. Accordingly, we are opposed to any expansion.

Please let me know if you require any further information

Sincerely,

Linda Carlisle
