At the hearing on June 3, 2003 the Chairman refused to enter enter into the record Exhibit 98 which includes an audio Tape. The Grounds were that the necessary copies were not submitted ant that they were not with the packets supplied to the members.

The Error was by the Clerks who did not put any of the 11 which were submitted copies into the packets. During the hearing it was determined the 11 copies are still in the office of the clerk. The Chairman was informed error of this during the hearing by a clerk.

The Tape was properly submitted and the error was the Board's clerks, not opponents. Entry and consideration by listening to the tape is requested before final ruling by the Board.
