FRIENDS AND NEIGHBORS OF TUDOR PLACE
GEORGETOWN, DC

Dear Neighbor:

We need your help preserving Tudor Place as a glorious asset in our neighborhood. Tudor Place was built by Martha Custis Peter in 1804, and was the Peter family residence until the late 1980's. Armistead Peter, III, wanted Tudor Place preserved as an historic landmark, open to the public. To prevent this beautiful home and its grounds from ever being changed or developed, he deeded a scenic easement to the United States and established a large endowment to maintain the property. His will provided "I request particularly that Tudor Place be kept *as I shall leave it*, and that it be considered not as a period museum but as a house lived in and loved by generations of our family."

During the late 1990's, the Tudor Place Foundation, which manages the property, decided to increase its revenues by contracting for wedding receptions and corporate events. Noisy dance bands played late into the evening, and the influx of hundreds of cars filled the already scarce parking spaces on our streets. Litigation (which is still pending) ensued and Tudor Place suspended those commercial events.

The Foundation once again wants to be excepted from the R-1 (residential) zoning rules and has applied to the BZA for Special Exception. We heartily support the Foundation's tour program during daylight hours on both week days and Saturdays. The Foundation, however, has asked for more. It wants to operate evenings and Sundays, to hold an unlimited number of events with up to 200 people, and host 10 events with up to 500 people on weekends and during evenings. These changes would place a significant burden on our community and make parking virtually impossible on evenings and weekends.

We, consequently, are challenging the use of Tudor Place for commercial functions and activities. Such uses are inconsistent with Zoning Regulations and are inappropriate in a residential neighborhood. Wedding receptions, corporate parties, and other commercial activities should be held only in locations zoned for such events.

We ask your help to persuade the BZA to deny Tudor Place's request to expand its activities and hours of operation. If you agree that such activities are inappropriate and harmful, **please sign and return the enclosed statement as soon as possible in the enclosed envelope.**

We also invite you to attend the BZA hearing on Tuesday, February 18, at 9:30 AM to make your views known. If you cannot attend, please sign and return the enclosed statement and we will see that it is submitted to the BZA. If you have any questions, please do not hesitate to call any of the undersigned.

Yours sincerely,

STATEMENT

CONCERNING THE USE OF THE GROUNDS AND BUILDINGS OF TUDOR PLACE
Georgetown, DC

The undersigned neighbors of Tudor Place say that:

▷ We support the hard work of the Tudor Place Foundation in maintaining Tudor Place in its historical condition and making this historic home available to the people of the United States for tours.

▷ We ask the Tudor Place Foundation to respect the wishes of Armistead Peter III, in his Will, that "Tudor Place be kept *as I shall leave it*, and that it be considered not as a period museum but as a house lived in and loved by generations of our family."

▷ We oppose the use of Tudor Place and its grounds as a venue for holding private wedding receptions and corporate parties which, in the past, have negatively impacted our quiet residential neighborhood with: (1) noise from the set-up and tear-down of tents and platforms; (2) noise from the bands which play for these private parties until 10:30 PM; (3) traffic congestion necessitating control by the police during events; and (4) a lack of parking spaces for residents. Wedding receptions, corporate parties, and other commercial activities should be held only in locations zoned for such events.

▷ We oppose expanding the existing hours of tour operations to evenings and Sundays because the additional vehicles would make parking--which is now very scarce at those times--much more difficult, if not virtually impossible.

STATEMENT

CONCERNING THE USE OF THE GROUNDS AND BUILDINGS OF TUDOR PLACE
Georgetown, DC

The undersigned neighbors of Tudor Place say that:

▷ We support the hard work of the Tudor Place Foundation in maintaining Tudor Place in its historical condition and making this historic home available to the people of the United States for tours.

▷ We ask the Tudor Place Foundation to respect the wishes of Armistead Peter III, in his Will, that "Tudor Place be kept *as I shall leave it*, and that it be considered not as a period museum but as a house lived in and loved by generations of our family."

▷ We oppose the use of Tudor Place and its grounds as a venue for holding private wedding receptions and corporate parties which, in the past, have negatively impacted our quiet residential neighborhood with: (1) noise from the set-up and tear-down of tents and platforms; (2) noise from the bands which play for these private parties until 10:30 PM; (3) traffic congestion necessitating control by the police during events; and (4) a lack of parking spaces for residents. Wedding receptions, corporate parties, and other commercial activities should be held only in locations zoned for such events.

▷ We oppose expanding the existing hours of tour operations to evenings and Sundays because the additional vehicles would make parking--which is now very scarce at those times–much more difficult, if not virtually impossible.

FRIENDS AND NEIGHBORS OF TUDOR PLACE©
GEORGETOWN, DC

Dear Neighbor:

We need your help preserving Tudor Place as a glorious asset in our neighborhood. Tudor Place was built by Martha Custis Peter in 1804, and was the Peter family residence until the late 1980's. Armistead Peter, III, wanted Tudor Place preserved as an historic landmark, open to the public. To prevent this beautiful home and its grounds from ever being changed or developed, he deeded a scenic easement to the United States and established a large endowment to maintain the property. His will provided "I request particularly that Tudor Place be kept *as I shall leave it*, and that it be considered not as a period museum but as a house lived in and loved by generations of our family."

During the late 1990's, the Tudor Place Foundation, which manages the property, decided to increase its revenues by contracting for wedding receptions and corporate events. Noisy dance bands played late into the evening, and the influx of hundreds of cars filled the already scarce parking spaces on our streets. Litigation (which is still pending) ensued and Tudor Place suspended those commercial events.

The Foundation once again wants to be excepted from the R-1 (residential) zoning rules and has applied to the BZA for Special Exception. We heartily support the Foundation's tour program during daylight hours on both week days and Saturdays. The Foundation, however, has asked for more. It wants to operate evenings and Sundays, to hold an unlimited number of events with up to 200 people, and host 10 events with up to 500 people on weekends and during evenings. These changes would place a significant burden on our community and make parking virtually impossible on evenings and weekends.

We, consequently, are challenging the use of Tudor Place for commercial functions and activities. Such uses are inconsistent with Zoning Regulations and are inappropriate in a residential neighborhood. Wedding receptions, corporate parties, and other commercial activities should be held only in locations zoned for such events.

We ask your help to persuade the BZA to deny Tudor Place's request to expand its activities and hours of operation. If you agree that such activities are inappropriate and harmful, **please sign and return the enclosed statement as soon as possible in the enclosed envelope.**

We also invite you to attend the BZA hearing on Tuesday, February 18, at 9:30 AM to make your views known. If you cannot attend, please sign and return the enclosed statement and we will see that it is submitted to the BZA. If you have any questions, please do not hesitate to call any of the undersigned.

Yours sincerely,

▷ We support the hard work of the Tudor Place Foundation in maintaining Tudor Place in its historical condition and making this historic home available to the people of the United States for tours.

▷ We ask the Tudor Place Foundation to respect the wishes of Armistead Peter III, in his Will, that "Tudor Place be kept *as I shall leave it*, and that it be considered not as a period museum but as a house lived in and loved by generations of our family."

▷ We oppose the use of Tudor Place and its grounds as a venue for holding private wedding receptions and corporate parties which, in the past, have negatively impacted our quiet residential neighborhood with: (1) noise from the set-up and tear-down of tents and platforms; (2) noise from the bands which play for these private parties until 10:30 PM; (3) traffic congestion necessitating control by the police during events; and (4) a lack of parking spaces for residents. Wedding receptions, corporate parties, and other commercial activities should be held only in locations zoned for such events.

▷ We oppose expanding the existing hours of tour operations to evenings and Sundays because the additional vehicles would make parking--which is now very scarce at those times--much more difficult, if not virtually impossible.

▷ We oppose the use of Tudor Place and its grounds as a venue for holding private wedding receptions and corporate parties which, in the past, have negatively impacted our quiet residential neighborhood with: (1) noise from the set-up and tear-down of tents and platforms; (2) noise from the bands which play for these private parties until 10:30 PM; (3) traffic congestion necessitating control by the police during events; and (4) a lack of parking spaces for residents. Wedding receptions, corporate parties, and other commercial activities should be held only in locations zoned for such events.

▷ We oppose expanding the existing hours of tour operations to evenings and Sundays because the additional vehicles would make parking--which is now very scarce at those times–much more difficult, if not virtually impossible.

STATEMENT

CONCERNING THE USE OF THE GROUNDS AND BUILDINGS OF TUDOR PLACE
Georgetown, DC

The undersigned neighbors of Tudor Place say that:

▷ We support the hard work of the Tudor Place Foundation in maintaining Tudor Place in its historical condition and making this historic home available to the people of the United States for tours.

▷ We ask the Tudor Place Foundation to respect the wishes of Armistead Peter III, in his Will, that "Tudor Place be kept *as I shall leave it*, and that it be considered not as a period museum but as a house lived in and loved by generations of our family."

▷ We oppose the use of Tudor Place and its grounds as a venue for holding private wedding receptions and corporate parties which, in the past, have negatively impacted our quiet residential neighborhood with: (1) noise from the set-up and tear-down of tents and platforms; (2) noise from the bands which play for these private parties until 10:30 PM; (3) traffic congestion necessitating control by the police during events; and (4) a lack of parking spaces for residents. Wedding receptions, corporate parties, and other commercial activities should be held only in locations zoned for such events.

▷ We oppose expanding the existing hours of tour operations to evenings and Sundays because the additional vehicles would make parking--which is now very scarce at those times–much more difficult, if not virtually impossible.
