Re: BZA Application No. 16974

Dear Members:

I write to strongly oppose any increase in public activities at Tudor Place, a block above our residence. We have lived in our house forty-two years, we have relied on street parking, and during that time we have seen our parking problem increase from difficult to crisis proportions. We are especially inconvenienced because my wife has become seriously handicapped and must rely on a wheelchair. I urge the BZA to insist in particular that Tudor Place come up with more meaningful devices to mitigate the parking problem--more use of valet parking, arrival and departure of guests by bus or limousine, etc.

Sincerely yours,

Joe L. Zaring
