Re: BZA Case 16974 - Tudor Place

Dear Chairman Griffis:

I have lived one-half block from Tudor Place for over 30 years and during all that time, I have never had any problems or negative feelings whatsoever about the way they conduct their affairs. On the contrary, I consider Tudor Place to be a great asset to my neighborhood, the city and to the country. I have never in all these 30 years had any complaints to make about noise or parking. For your information, I do not have central air, I live here almost all summer, my windows are often open, and I am not deaf. And despite the fact that I park on the street, I have not had problems with Tudor Place about that issue either.

Please grant Tudor Place the permissions outlined by Ms. Buhler.

Sincerely yours,

Ruth MacKenzie Saxe
