Transportation Policy and Planning Administration

DATE: April 28, 2003

SUBJECT: BZA Application 16974 Special exception request

At the request of the Office of Planning (OP), the Department of Transportation (DDOT) has reviewed your recommendations and supports the list of conditions under which Tudor Place would operate (page 12 through 14) of the OP report.

DDOT recommends that condition No. 3 on page 12 be modified to read the hours of operation for tours shall be between **9:30 am and 4:00 pm., which** is outside the commuter rush hours. The evening tours period should be between **6:30 pm and 8:30 pm,** to minimize conflicts with the pm peak hour in the area.
