Dear Zoning Administrator:

The applicant, Wentworh-Levine Architects, filed for conceptual design approval on November 7, 2002 for the construction of a small addition on the rear of a rowhouse in the Capitol Hill Historic District, located at 1356 North Carolina Avenue, NE. The Historic Preservation Office understands that a special exception is required due to the proposed lot coverage. The HPO anticipates that the Historic Preservation Review Board will consider the case at its December 19, 2002 meeting.

Sincerely,

Emily Paulus
