Mr. Bennett:

I would like to thank you for having your most competent staff instruct and service clients of the Family and Youth Resource Center on the conditioning and treatment of hair. Many of the clients that your staff serviced were in a treatment class for the battered. Your staff instilled in them a sense of self esteem just by catering to their immeidate hair care.

In closing I spoke with an official at the Department of Employment Services and informed them of the working relationship our programs have developed over the past two years and requested a meeting so that the clients we refer to your program can receive financial assistance.

Again, Chet thank you.

Respectfully,

Anthony R. Patterson

Dear Chet,

The experience at the Bennett Beauty Institute was great. The training environment was excellent and your willingness to help us keep the program running smoothly was greatly appreciated.

Your school is beautifully maintained and when you couple that with your natural customer service approach, you have an unbeatable combination.

I look forward to running additional training at your school and look forward to working with you again.

Our next session is scheduled for Monday, September 29, 1997. We will meet at 5:00 p.m. and run until 9:00 p.m.. The plan for this training session is to have the 9 examiners go through the new set of standards from start to finish and then compare pass/fail decisions.

If this is acceptable and your school could be made available, please let me know and I will notify the new Cosmetology Practical Examiners.

Again, I thank you for all of your help and letting us use your school.

Sincerely,

Robert M. Snyder - Cosmetology Project Director

Dear Mr. Bennett:

As your students will be coming to our agency today to provide various beauty services to our senior participants, we wanted to take this opportunity to express our sincere gratitude for these free services that you have given to our seniors over the past several months.

Our participants really look forward to the pampering your students give them as well as the opportunity to socialize with the younger generation. After enjoying the beauty services they receive, our participants feel special and prepared to present a "special face" to those in their lives.

The students you have sent to provide these free services are not only focused on the services they are rendering, but engage our participants in conversation and laughter. You can be very proud of their efforts.

Respectfully,

"ACTIVITY HIGHLIGHTS"

May proved to be a very exciting month of activities. Bennett Beauty Institute rendered free beauty services.for our seniors. Services included manicures, nail designs, facials, hair and wig styling. **M. Powell's** smile illuminated everyone after she received a hair style and manicure with nail designs. **B. Edwards** exhibited such joy after receiving a facial, manicure and makeover; she looked beautiful. **R. Gause** stood proudly showing everyone his haircut and manicure. **J. Shuler** said " I like having my nails done." **E. Toney** stole the hearts of the students while receiving a new hair style, makeover and manicure with nail designs. This memorable event was captured by photographs. We thank **Mr. Bennett** and **Ms. Arnold** for offering these free services to our center and the beauty students for displaying love, compassion and warmth to our seniors.

The Spirit of Washington Cruise was quite a success. **G. Morris** sang along with the entertainers and **C. Morris** expressed what a wonderful time he had. **A. Pratt** enjoyed the cruise tremendously and **J. Decatur** returned with souvenirs. They all said, "Let's go back again."

The Mother's Day Shower brought joy to each participant. Dolls served as babies and various games were played. **C. Philo** bathed and diapered her dolls with such tenderness and joy. Each provided names for their dolls and held them with love. **E. Clayton** held her doll close to her chest and patted her gently. Ironically, the men wanted to participate. **W. Tillyer** and **R. Gause** acted as crying babies and entertained us with baby behaviors. It was comical to everyone. The room was decorated with pink and blue crepe streamers, balloons and umbrellas surrounded by raindrops. One table was filled with red carnations and gifts. Thanks to New abundant Life Missionary Baptist Church for providing a gift to each lady, **D. Lipscomb** for use of baby dolls and **C Devore** for the red carnations.

The Senior Cabaret at the D. C. Armory was "jamming" with seniors dancing to the music. **D. Stepney** danced throughout the event. Others stated "We had a wonderful time and the music was great." **G. Morris** certainly enjoyed himself while lip-singing with expressive gestures. **John Sausser** from **AFTA,** provided a great intergenerational music activity which included story telling and musical instruments; both populations enjoyed this event. **Roberta Keller & Co.** also from **AFTA,** rendered wonderful inspirational music to our seniors. Other inspirational activities were provided by **Rev. Drew, Rev. Carter, Rev. Crutchfield, Rev. DeGrassee** and **Sister O'Conner.**

The Memorial Day intergenerational picnic was a success. Our parking lot was decorated with colorful balloons and streamers. Golf, sailboat races, bubble blowing, gyrocopters, hula hoops, balloon pool and other games were available to everyone. We shared a picnic style lunch and afterwards root beer floats were made. What a joyous event this was for both the children and seniors. An intergenerational cooking class was thrilling to both groups. Biscuits were made and later served with tea. **S. Evans,** said "These are good biscuits and I tore them up." The music & movement activity under the direction of **J. Polk** had our seniors clapping their hands and tapping their feet. **G. Gaines** enjoys leading the singing and has a beautiful voice.

Other activities included tactile games, mental stimulation, arts & crafts, bingo, pokeno, National Geographic videos, computer classes, health notes, movies and the monthly birthday celebrations. Hopefully, Junes' special events will continue to bring excitement to our seniors. We anticipate our Old Time Father's Day Carnival, Crazy Tie Contest, Father's Day Luncheon, field trip to the Animal Shelter and P. G. Plaza with lunch at Hot Shoppes Cafeteria.

Join us for a visit and share in the excitement.

Dear Ms. Bennett:

Thank you for serving on the 4th Annual YWCA Race Against Racism® Advisory Committee. We appreciate your time and commitment to this event. Your guidance and outreach in your community resulted in more than 1,700 people registering for the race. Our largest number of participants yet!

April 29th dawned as a beautiful sunny day for the runners, walkers, youth and volunteers who participated with us. Aqueelah Sellars, Ali Zaikouk, and LaSeon Carey, three of our Youth Ambassadors did an excellent job of speaking out against racism at the youth rally after the race. Our runners enjoyed refreshments and many visited the exemplary racial justice projects in the Youth Pavilion. It was indeed a very successful event. Thanks for helping us make it happen.

We hope you will join us next year with our outreach into the community so that we can double this years numbers at the race. Together we can make a difference. Have a wonderful summer and we look forward to working with you on the 5th annual YWCA Race Against Racism®!

Dear Mr. Bennett:

I would like to extend to you a sincere thank you for making the 1999 Career Fair an exciting and successful event. By sharing your time, talent and career information, you increased our eighth graders' awareness of the world of employment as they head toward high school and future decision-making. I believe the Career Fair refocused students on the relevance of their educational performance to future success in college and careers.

Communities have been pulling together to strengthen education because they know it's the key to helping our young people succeed and to making communities strong, safe, and prosperous. Your involvement in working with our students was a big help in contributing to this effort. I appreciate your taking time out from your busy schedule to touch the lives of our students.

Sincerely,

Re: Facials

S.O.M.E./Thea Bowman House, a transitional housing program for families would like to set up facials for the women in the program. We have 10 families, all consisting of single mothers, currently residing at Thea Bowman House. We are located at 4065 Minnesota Ave NE, Washington DC, 20019. Because most of our women work or are in training during the day, Saturdays would work best for this population. I would like to set this up for any Saturday in February that would be convenient for you.

Please feel free to contact me with any further questions. I look forward to hearing from you soon.

Dear Ms. Turkvan,

The Metro DC Collaborative for Women with HIV/AIDS and The Women's Collective would like to thank you for volunteering your time and the time of your students on January 25, 1997 for the "Waiting to Exhale" event.

Without your presence and generous support the event would not have been as successful or as fun as it was!

Most of the women that you met on Saturday have been working very hard to advocate for themselves and for other women living with HIV/AIDS. Each day they face tremendous barriers in accessing health care, information and services that are meant to include women but more often than not, fail to do so.

The "Waiting to Exhale" meeting was a success because it brought together women and gave them a space to pamper themselves and have fun. You were an important part of that.

Throughout 1997, the Metro DC Collaborative will be organizing policy and advocacy meetings to address the barriers to care that women are facing in the Metro DC area. If you are interested in learning more about these meetings or about the Collaborative or The Women's Collective, please contact Patricia Nalls at 301.459.1707 or Cathleen Maine at 202.872.1770.

Again, thank you for your contribution to this event. It was greatly appreciated by us all! Please express our gratitude to your class.
