The Department of Health, Health Regulation Administration, Child and Residential Care Facilities Division (DOH/HRA/C&RCFD) recommends that the applicant, Bennett Career Institute, be granted special exception approval to establish and maintain a licensed child development center at the above referenced address.

The addition of a licensed child development center serving children of preschool-age and younger would assist in meeting the high demand for child care in the District of Columbia.

Should you have further questions, you may contact Denise R. McKoy, Supervisory Human Services Licensing Specialist for the Child Care Branch on 442-5929.

Sincerely,

Valerie A. Ware
