RE: BZA Appeal No. 16990 – American Tower, Inc.

Dear Mr. Brennan:

The Office of Zoning (OZ) received your letter dated June 20, 2003, on June 23, 2003, requesting that this office reconsider its position concerning your Motion for Rehearing and Supplemental Memorandum in Opposition dated May 30, 2003, to the Board of Zoning Adjustment's (Board) motion to dismiss the above-cited appeal. I must reiterate that OZ has been advised by its Corporation Counsel that OZ can't accept your motion of June 20, 2003, because the subject case was closed and the Board's final order had not been issued yet.

The order has been issued as of today, June 25, 2003, and as such you have ten (10) days to re-file a motion for reconsideration or rehearing pursuant to subsection 3126.2, of the Zoning Regulations. As noted in our June 6, 2003, letter (attached) motions for reconsideration or rehearing of a Board decision must be served upon all other parties. If you have any questions relevant to the foregoing please call Richard S. Nero, Jr., Chief, Support Services and Quality Control on (202) 727-6311.

SINCERELY,

JERRILY R. KRESS, FAIA
Director, Office of Zoning
