Re: Special Exception Application Number 16991
DC OCTO/ 1700 Rhode Island Avenue, NE
Support for Minor Modification

Dear Mr. Chairman:

This letter is to advise the Board of Zoning Adjustment that Single Member District 04 of ANC 5B supports the request for minor modification as requested by the Office of Chief Technology Officer (OCTO). Specifically, we support OCTO's request to add a shelter to accommodate the equipment as shown on the revised plans.

ANC 5B voted, unanimously, to support the initial request. By letter dated March 9, 2003, the ANC notified the Board of this action, which was taken at the ANC5B meeting on March 6, 2003.

The next meeting of the ANC 5B is not scheduled to occur until June 5th. Due to current problems that exist within the commission of ANC 5B, there is a possibility that the next public meeting for the community may not have an established quorum to vote.

On Saturday, May 24th, ANC 5B04 convened a community meeting. Representatives of OCTO and the Metropolitan Police Department briefed the SMD04 on the request and answered questions. Given the minor nature of the changes and the urgency of the timing, we ask that the BZA accept this letter as the position of this commissioner on behalf of the affected Single Member District.

Sincerely,

Rayssa Woodland,
Commissioner
