Subject: zoning application

Mr. Frankel, I'm Janet Bachman, one of your neighbors. I live at 5012 44th.

I just finished reading your letter concerning your request for a zoning exception. Good letter - clear and comprehensive.

I have no problem with your request for an exception. Frankly I'm surprised that the city code requires a zoning exception. It strikes me as no one's business if you want to rent out part of your home. Several of our neighbors have done just that, and something tells me they asked no one's permission.

I've noticed the construction going on at your home. I think it's wonderful that you're investing in our neighborhood. Long term we all benefit from such investment. Good luck with the ANC folks.
