CASE NO. 16998
EXHIBIT NO. 77

DID YOU KNOW....

...that Bannum, Inc., a Florida Corporation, plans to bring ***criminals including sex offenders, arsonists and child molesters*** into our community under the new Federal Bureau of Prisons (BOP) RFP requirements?

...that a halfway house is being proposed for operation at 2210 Adams Street, NE?

...that Ward 5 is either home or borders three of the six currently run halfway houses?

...that the location where they want to put the halfway house would be in the building with a Day Treatment Program for the developmentally disabled?

...that there are currently several hundred beds that are not being used in established halfway houses? Do we really need another halfway house?

...that we oppose any plans to operate any halfway houses in Ward 5 and urge you to join us in this opposition.
