I have found a copy of the plat of computation. I will have it couriered within the next hour to Ms. Bailey's attention.

Will someone from your office call to confirm with her she should **expect this by 2:00P today, and to otherwise call me directly if not received**?

Thanks.

Paul or Jyh-Mei,

Beverley Bailey of the Office of Zoning (BZA staff) left us a voicemail message last evening requesting a copy of the plat we obtained from the Office of the Surveyor without the building depicted on the plat.

Do we have such a copy and, if so, can you have it sent by courier to her at 441 4th Street, N.W., Suite 210?

Please let us know if a plat has been sent or if we are unable to do so. Thanks. Jacques
