Please answer all of the following questions referencing why the above person should be granted party status.
(If you require additional space, please attach an additional sheet.)

1. **How will the property owned or occupied by such person, or in which the person has an interest be affected by the action requested of the Board?**
When the Board grants the church the permit to proceed with this project, I believe this improvement next door to me will cause my property to be enhanced.

2. **What legal interest does the person have in the property? (i.e. owner, tenant, trustee, or mortgagee)**
I am the owner of the property at 5307 Illinois Ave. N.W.

What is the distance between the person's property and the property that is the subject of the appeal or application before the Board? (Preferably no farther than 200ft.)
My property adjoins the church property on all three sides.

What are the environmental, economic or social impacts that are likely to affect the person and/or the person's property if the action requested of the Board is approved or denied?
When the Board permits the project to proceed, the environmental, economic, and social impacts will all be positive and will provide no adverse affect.

Describe any other relevant matters that demonstrate how the person will likely be affected or aggrieved if the action requested of the Board is approved or denied. I have had an opportunity to see the proposed plans. If denied it would hinder the expansion of modern facilities equipped to be available to provide assistance to my community.

Explain how the person's interest will be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than that of other person's in the general public.

I would be the most significantly affected of all my neighbors because of the close proximity of my property. The rear of the church adjoins the right side of my home. The Illinois side of the church adjoins the front of my home, and the Ninth Street side adjoins the rear of my home.
